

TRIBO ATF TYPE A HYPERMAX is an automatic transmission fluid formulated from high quality of base oil and selected additives to meet ATF type A suffix A requirements and to provide good lubrication in automatic and semi-automatic transmission. Provides excellent lubrication in automatic and semi-automatic transmission with low friction characteristic to meet GENERAL MOTORS Type A Suffix A requirements.

PRODUCT PROPERTIES:

- It has good level of corrosion resistance and foam properties.
- Very high viscosity index.
- Very low pour point.
- Friction properties to meet the requirements of type A Suffix A.

TRIBO ATF TYPE A is recommended for automatic and semi-automatic and torque converters of passenger cars, light commercial vehicles when manufacturer requires an ATF meets GM TYPE A SUFFIX A
